The staff of the 1984 yearbook would like to dedicate its work to Mr. Jack McGrath. We would like to thank him for his thirty-one years of support and dedication to the student body of MHS. Mr. McGrath has worked very hard with and for the students for many years and he will be greatly missed in the years to come.

MEMORIES

We'll make this a world for two
Our memories of yesterday
will last a lifetime
We'll take the best, forget the rest
And someday we'll find
These are the best of times.

Styx

Thank you for being a friend,
traveled down the road and back again
your heart is true,
You're a pal and a confidant
I'm not ashamed to say
I always hope it will stay this way
. . . Thank you for being a friend.

CROSS COUNTRY TEAM

Left to right — top row: Cooch Cordozo, Don Rose, Greg Clork, Tony Nourse, Jim Brobozon, Scott Gobelhart, Dove Jofforion Left to right — Bottom row: Mike Wilson, Jeremy Tissot, Jocob Berger, Poul Jonovitz

Despite their 2-6 record, the Cross Country Team had fine individual performances. The season was almost victorious, but due to injuries, an incomplete team caused them to lose two very close meets. Captain Dave Jaffarian led the team by winning many meets, and placing highly in others. Jim Brabazon, Greg Clark, Tony Nourse and Dan Rose also had strong performances. Comic relief and an occassional varsity finish were provided by GABES. The team has a promising outlook for next year with many good runners returning next year. We would like to wish Coach Cardoza good luck in future years.

The 1984 Boys Varsity Soccer Team had another successful season, finishing out the season with a 13-2-1 record. Highlights included a 1-0 win over D-S to once again clinch the Duncan Watt Memorial Cup, and a 3-2 win over Division I team Dennis-Yarmouth in tournament action.

The team had four All-Star players this year with one honorable mention. An outstanding effort by the defense lead to a record breaking shutout season. The team would like to wish Coach Tom Cowell a successful season next year. Beat Duxbury!

Phil, next time wait for the boll.

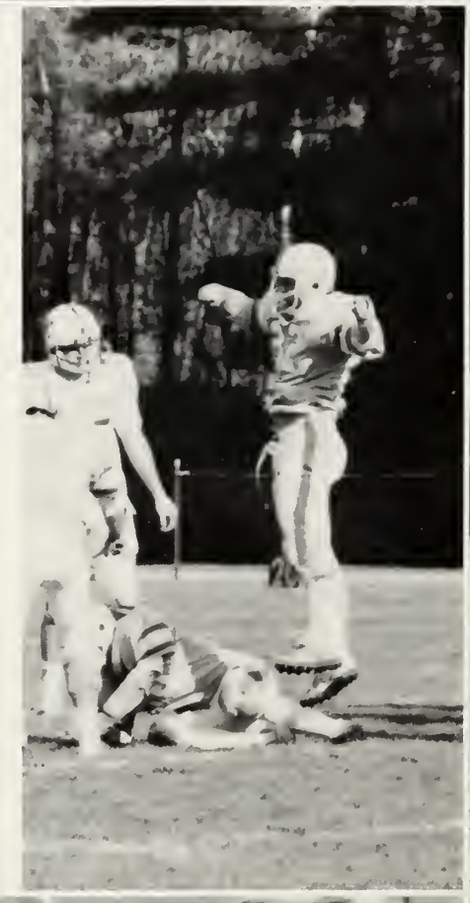
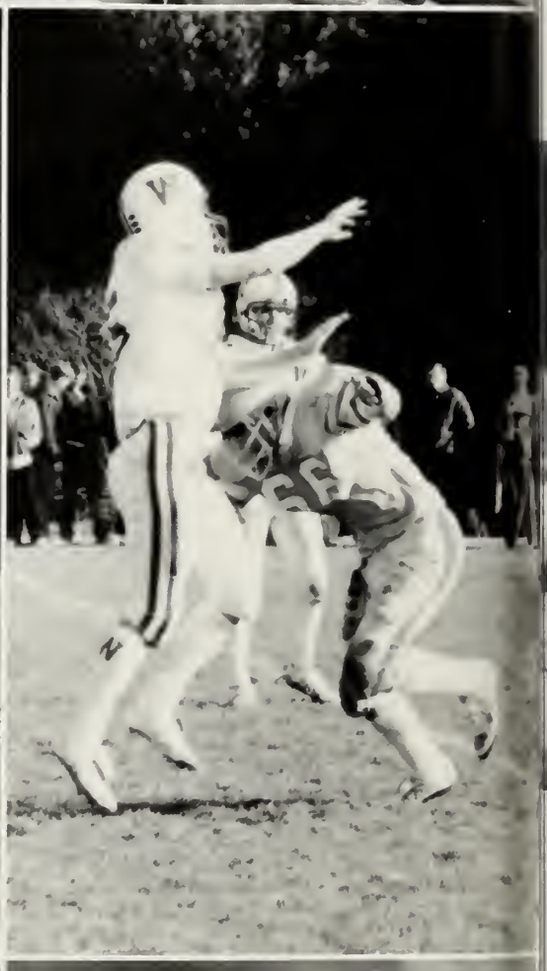
The M.H.S. football team concluded its season with a 3-7 overall and 3-5 in the Tri-Valley League. The team was capable of beating any squad with its starting fullback and All-Star team player, Dave Ballou. Tight end Jay Holland also contributed greatly. The high point of the year was the upset win over Hopkington, 20-19. The win knocked the team out of first place and it stifled any Super Bowl hopes for the Hillers. The Medfield Spirit was carried on throughout the season and hopes are high for next year.





GIRLS SPORTS

FIELD HOCKEY

The 7-8-1 record of the 1984 Medfield field hockey team doesn't tell the story of the first win over Hopkington in five years nor the loss to the league's first place team by a goal in the final 35 seconds of the game. "Dover dies tomorrow!"; and they did as the Warriors finished the season with a 2-1 win on their home turf. A special thanks to captains Sharon Hunter and Heidi Bradshaw and Coach Loretta Fahey who have really caused the team to "make waves!"

The Girls' Cross Country Team started the year with six girls. The top runner Christine Harney paced the girls squad to good standings. Everyone showed good ability and improvement throughout the season. Three girls participated in the State Meet. Overall the girls had a respectable showing.
